EPILOGUE

Words by Doreen Wayne/Jerry Wayne
Music by Jeff Wayne

NASA "It's looking good. It's going good. We're getting great pictures, here at N.A.S.A. control, Pasadena. The landing craft touched down on Mars, 28 kilometres from the aim point. We're looking at a remarkable landscape. It's littered with different kinds of rocks, red, purple—how about that Bermuda?

Bermuda Fantastic! Look at that dune field.

NASA Er wait. I'm getting a no-go signal. I'm losing one of the craft. Hey Bermuda you getting it?

Bermuda No, I've lost contact. There's a lot of dust blowing up there.

NASA I lost the second craft. We've got problems.
